About the Project Management Institute

Projects, programs, and portfolios are critical to the success of an organization and its ability to achieve its mission. They require a specific set of skills to design, plan, and deliver. The Project Management Institute (PMI) empowers more than 350,000 members and serves more than 280,000 professionals in nearly every country around the world to advance careers, strengthen organizational success, and achieve their personal and professional purposes.

About the Ireland Chapter of the Project Management Institute

Chartered by the Project Management Institute (PMI) in 1998 the Chartered Ireland Chapter advances the mission and objectives of the PMI by engaging with the local community and offering services that will support the development of project, program and portfolio management practices.

The award-winning book — a quick (60-90 minute) read — is available for purchase and a free download of the sample chapter is available from the Agile Project Management website. Developed New Capabilities and Unlocked Business Agility to Thrive in an Entertainment Company Development New

Scrum is a value-driven agile approach which incorporates innovation and drives competitive advantage. Leads to substantial benefits such as fast time-to-market, higher stakeholder feedback. And Scrum's built-in rapid response to change leads to great leadership.
